THE WOM AUCTION PLATFORM

WOM GmbH is one of the largest Internet auction platforms for accident damaged vehicles in Europe and since 2012, the company has been part of Copart – a world leader in vehicle marketing. More than 1500 new accident damaged vehicles are entered into WOM platform every day.

HOW IT WORKS!

Find out about the WOM Auction Platform yourself – simply register and join in the bidding! On our website under Support you will find detailed descriptions, FAQ and Video Tutorials for each step.

ONLY INTERESTING VEHICLES

Set your personal filter to vehicle details and regions and receive a daily newsletter on request with the vehicles matching your filter. From now on you won't miss any vehicles that might be of interest to you!

INTERNATIONAL BUYER SERVICE (IBS)

With each purchase, our IBS-Team supports you with completely processing the sale.

- ✓ Communication with insurance company & vehicle owner
- ✓ Exchange of contact and location data
- ✓ Clearing and processing for financed/leased vehicles
- ✓ Assistance during the (transaction) conclusion of a contract
- ✓ Organising the pick-up of your car
- ✓ Contract template/power of attorney for voiding of vehicle title document

TOP SERVICES

For traders & garages

- ✓ You have access to up to 2000 new accident damaged vehicles every day
- ✓ We help you to open up the largest vehicle market in Europe – namely Germany
- ✓ Simple search and filter functions immediately find interesting vehicles for you
- ✓ Our International Buyer Service (IBS) supports buying and collection
- ✓ You avoid misunderstandings with our international contact partners

WOM GmbH is one of the largest Internet auction platforms for accident damaged vehicles in Germany. Leading insurance companies, vehicle expert organisations and freelance vehicle experts enter up to 2000 vehicles of all types on the WOM platform every day. WOM GmbH's customers include vehicle traders, fleet operators and garages.
